If purchasing a Life Insurance policy, select any of the following that apply:

Loan Carry Forward (Not available for annuities) Specify Loan Amount: \$ _____
See Note 5 below.

Modified Endowment Contract (MEC)

Partial Exchange (Applicable to Annuity Contracts Only)

I wish to request a partial 1035 Exchange from the aforementioned annuity contract in the amount of:

\$ _____ or _____ % , or

Penalty Free Amount (This amount is subject to change based on the product provisions. Please check with the surrendering company to verify the amount)

1. I fully assign and transfer all claims, options, privileges, rights, title and interest to either all of the life insurance policy, all of the annuity contract or part of the annuity contract value identified in the Contract Information section on page 1 to The Company. The sole purpose of this assignment is to effect a tax-free exchange under Section 1035(a) of the Internal Revenue Code. All of the powers, elections, appointments, options and rights I have as owner of the contract, including the right to surrender, are now exercisable by The Company. Simultaneous with a full assignment, I also revoke all existing beneficiary designations under the Assigned Policy. Other than the above mentioned owner, no person, firm, or corporation other than myself and the insurer that issued the above numbered policy, has an interest in said policy. No proceedings in insolvency or bankruptcy have been instituted by or against me. I understand that The Company intends to surrender the contract for the cash value; or if this is a partial exchange, the portion assigned, subject to its terms and conditions, and to use the proceeds as the purchase payment for the new contract to be issued by The Company. I authorize the surrendering company to send the proceeds directly to The Company and understand that fees and surrender charges may apply. This exchange is subject to acceptance by The Company. The Company is not liable for changes in market value that may occur before the proceeds are received by The Company in good order and allocated to the new contract. Prior to the date of receipt of the proceeds by The Company, no value will accrue or be earned on The Company contract.

2. If this is a partial exchange, I understand that it is subject to Revenue Ruling 2003-76, which dictates how much of the original contract's cost basis must be allocated to the new contract. The cost basis should be allocated ratably between the two contracts based on the percentage of the value retained in the original contract and the percentage of the value transferred to the new contract. For example, if the contract value is \$100,000 and basis is \$50,000, and I assign 30% for a partial exchange, then \$15,000 (30% of \$50,000) of the basis would be applied to the new contract. I understand that the IRS has raised concerns about annuity contract owners using partial exchanges to avoid income tax, and I certify that I am not entering into this transaction for the purpose of reducing or avoiding income tax or the 10% penalty tax for early withdrawals.

I expressly represent that the sole purpose is to effect a partial 1035 exchange of an annuity contract. However, I acknowledge that under current IRS guidelines, gain from both the original contract and the new contract generally must be aggregated to determine the taxable portion of any distribution taken from either contract during the 24-month period following a partial exchange. In the event that I take a distribution from either contract during that 24-month period, I acknowledge and agree that I may have to supply each insurer with information about the other contract so that it can comply with the applicable tax reporting and withholding requirements. I acknowledge that The Company has made no representations concerning any tax treatment of this transaction. I understand that The Company has neither responsibility nor liability for the validity of this transaction or for my treatment under Section 1035(a) of the Internal Revenue Code or otherwise. Therefore, I agree to release and hold harmless The Company and its agents from any and all liability arising from, relating to, or in connection with, the taxation of a partial exchange of the above listed contract. I have been directed to consult my tax or legal advisor before proceeding.

3. I authorize The Company to rely upon the cost basis information provided by the surrendering company, but agree that The Company will assume no responsibility for determining or verifying cost basis. If cost basis is not provided, I acknowledge that more restrictive or less beneficial tax rules may apply to the amounts transferred. I acknowledge that The Company provides this form and participates in this transaction as an accommodation to me. The Company does not give tax or legal advice and assumes no responsibility or liability for the validity of this assignment or for the tax treatment of this exchange under IRC Section 1035(a) or other regulations.

4. I agree that if The Company, in its sole discretion, determines that it is unlikely to receive timely payment of the full contract cash surrender values, The Company may reassign ownership of the policy/contract back to me.

5. **LOAN CARRY FORWARD - IF THE BOX ABOVE IS NOT CHECKED, THE COMPANY WILL ASSUME THAT THE LOAN(S) IS/ARE NOT TO BE CARRIED FORWARD.** If this box is checked, I request that the policy to be issued by The Company be subject to indebtedness equal to the loan on the existing policy. I acknowledge that when issued, the provisions of The Company policy will apply to the indebtedness and that the benefits and values of that policy will be reduced accordingly for the amount loaned and interest. I understand that The Company may not process this request prior to issuing a policy under the following conditions: Surrender value is insufficient as determined by The Company policy's specifications or the existing insurer does not provide confirmation of cost basis with acknowledgement of loan carried forward.

5. TRANSFER OF FUNDS FROM NON-INSURANCE ACCOUNTS TO NON-QUALIFIED ANNUITIES

The Company will apply all such funds received to an annuity contract issued to me. I understand that The Company assumes no responsibility for tax treatment of this matter and I shall be responsible for payment of all federal, state and local taxes incurred with respect to the liquidation of such account. I acknowledge that the earnings credited under the annuity contract will begin to accrue when The Company receives these proceeds and all other necessary paperwork in good order.

I hereby agree to surrender my interest as indicated above and authorize The Company to take whatever action necessary to effect this transfer. I further agree that the transferred funds shall continue to be subject to any applicable restrictions on distributions as in the predecessor annuity contract. I intend this transaction to be a 403(b) transfer of funds pursuant to IRS Revenue Ruling 90-24. It is to be executed from financial institution to financial institution in such manner that it will not place me in actual or constructive receipt of all or any part of the transferred funds. Because this transaction constitutes a transfer of funds and not a distribution, withholding does not apply. (Provide The Company with any records or documents they may request with respect to this transfer.)

If no box is checked, I understand that the liquidation will be done as soon as possible. Proceeds should be transferred to The Company immediately following liquidation.

8. RETURN OF LIFE INSURANCE POLICY OR ANNUITY CONTRACT

Does not apply to partial 1035 exchanges on annuity contracts. Unless the surrendering company's policy or contract is attached, I affirm that the policy or contract has been destroyed or lost and that reasonable effort has been made to locate it. To the best of my knowledge no one else has any right, title or interest in the contract, nor has it been assigned, pledged or encumbered, unless this is a life insurance policy with a loan to carry forward.

9. REMARKS

10. MAXIMUM ISSUE AGE DISCLOSURE

An annuity contract may not be issued should the funding requirements be received after reaching maximum issue age for the annuity contract applied for. If the funds are received after the maximum issue age, the contract may be rejected and the funds returned to their original source. The Surrendering Company may or may not take the funds back, which could result in a taxable event.

11. TAXPAYER IDENTIFICATION NUMBER CERTIFICATION

Under penalties of perjury, I certify that:

2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions: You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return.
